HE5000 Club

Good company. More room.

Model imagery shown. Finish and seating layout vary by configuration.

Choose a 2.5M or 3M walk-in hyperbaric chamber, then tailor the seating and finishes to your space.

The essentials

Style	Walk-in hard-shell hyperbaric chamber
Pressure	2.0 ATA configuration
Layout	Four-seat layout; quoted package includes two powered seats
2.5M dimensions	98.4 × 63.8 × 78.0 in / 250 × 162 × 198 cm
3M dimensions	118.1 × 63.8 × 78.0 in / 300 × 162 × 198 cm
Warranty	Two years included

Allow extra space for equipment, entry and servicing. Your itemized quote confirms the exact build, included equipment, finishes and delivery scope.
