Diamond Dia-100

Hard-shell lay-down chamber

Lie back. Keep the view.

NOMINAL CABIN DIMENSIONS

CABIN LENGTH

86.6 in

220 cm

CABIN DIAMETER

39.4 in

100 cm

The essentials aren’t extras.

Pressure system

2.0 ATA configuration, adjustable controls and air compressor.

Oxygen delivery

10 L/min oxygen concentrator and breathing accessories.

Comfort

Air conditioning, padded interior, viewing panels and two-way communication.

Support

Two-year warranty, setup guidance and ongoing help.

Make it yours.

Black finish included. White or another custom color adds $1,500. Choose later is available. Printed wraps, external TV and other accessories are priced separately.

Cabin length and diameter are not the installed footprint. Overall height, fittings, equipment space and access clearance require the final build drawing.
