HYPERBARIC WELLNESS

HP1501

Hard-shell lay-down chamber | Size & specification guide

Three sizes. Find your fit.

All three cabins are 86.6 in / 220 cm long.

MODEL	DIAMETER	LENGTH
HP1501-75	29.5 in / 75 cm	86.6 in / 220 cm
HP1501-85	33.5 in / 85 cm	86.6 in / 220 cm
HP1501-90	35.4 in / 90 cm	86.6 in / 220 cm

Nominal chamber dimensions. Inch conversions are rounded.

Configuration

Style	Horizontal, hard-shell chamber
Operating pressure	1.5 ATA; ask about 1.6 ATA builds
Warranty	Two years included

Plan for the whole setup.

Cabin dimensions are not the required room size. Allow space for equipment, entry, ventilation and servicing. Confirm the final drawing and delivery route with Hyperbaric Wellness before ordering.
